EDUCATION HISTORY

CERTIFICATE OF JAVA WEB FULL-STACK COURSE
Institution: CodeGym HUE
Year of Graduation: December 2022

- Certificate: https://drive.google.com/file/d/1pYNR7-IVGMf0vMHc6MERjDBIoUkz_tXx/view

MECHANICAL ENGINEERING TECHNOLOGY
Institution: HUE INDUSTRIAL COLLEGE
Year of Graduation: July 2020

- GPA: 2.76
- Certificate: https://drive.google.com/file/d/1pYNR7-IVGMf0vMHc6MERjDBIoUkz_tXx/view

PROJECTS

HALOLO NETWORK   11/2022 - 12/2022
TEAM OF 3 MEMBERS (5 WEEKS)

- This is a social network project with basic future. Users can interact with each other through posts posted on this social network. Make friends, follow other people and exchange information with each other through messages.
- Project using Java Spring boot to written APIs, use ReactJs and boostrap for front-end development, the online messaging feature uses the socket.io library and is written in NodeJs.
- In this project, I take on the role of maintainer with the responsibility of managing progress and reporting to the person in charge of management, besides that I also participate in coding the functions in the project
